

• CAMPUS • HRMS

Where managing people becomes as easy as
learning itself.

CAMPUS HRMS

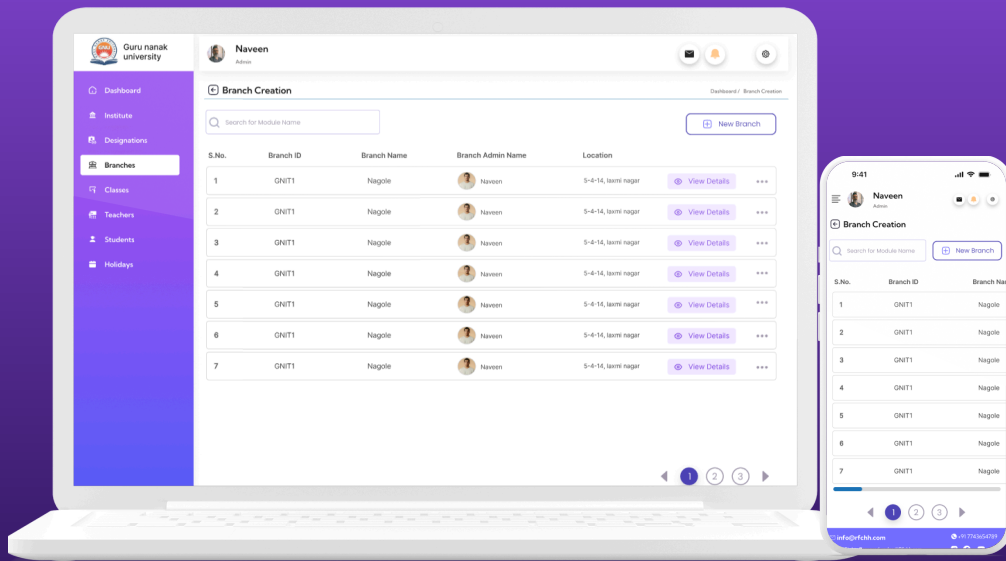

Campus HRMS is an all-in-one HR management system for schools, colleges, and universities. It simplifies employee management, attendance, payroll, recruitment, and performance tracking. With role-based access for Admin, Branch Admin, Teacher, and Student, it ensures smooth and efficient HR operations.

One System, Many Dashboards

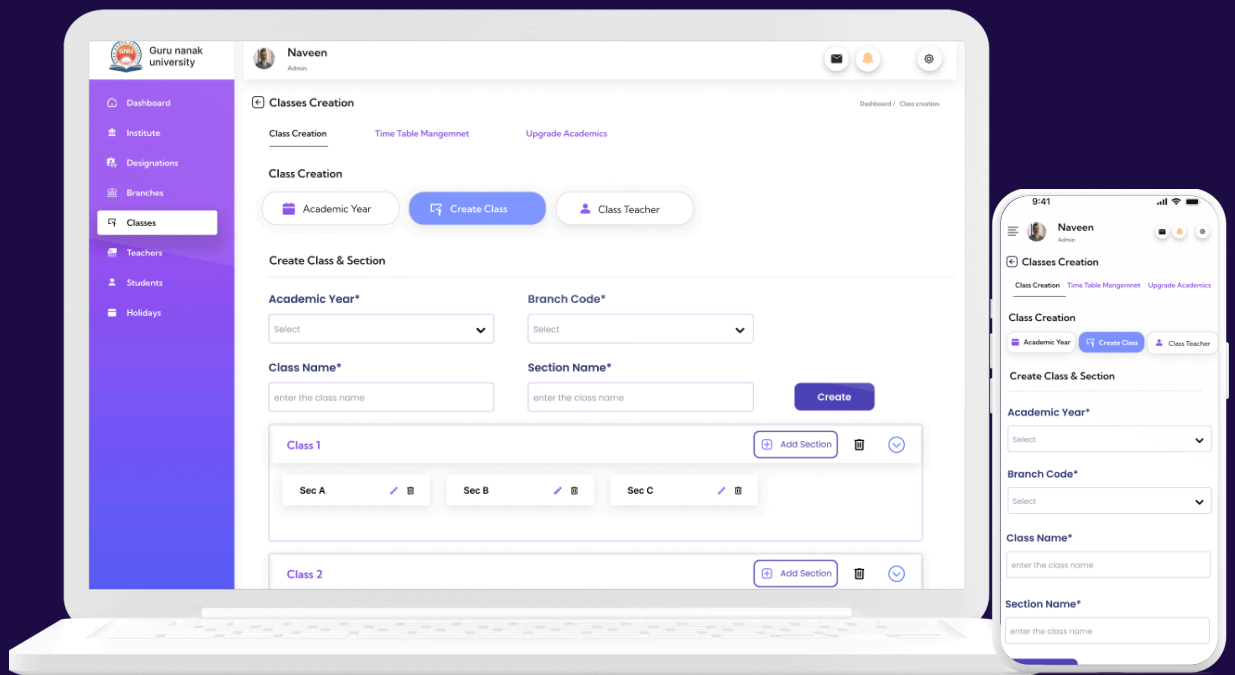

- ✓ Admin Dashboard
- ✓ Branch Dashboard
- ✓ Teacher Dashboard
- ✓ Student Dashboard

Imagine a campus that works like a well-organized system—students attend classes, teachers teach, administrators manage, and parents stay informed.all without friction That's what Campus HRMS makes possible.

To make this experience even better, we provide three separate logins for students, Teacher, and admin—each designed to meet their unique needs and keep everything connected

We designed Campus HRMS with a deep focus on the student experience, because we believe every child deserves a space that supports, tracks, and helps their growth in every way.
